CLEAN
ON WITH **10**
on

**WHO
WE
ARE**

Your very own personal mess buster! Soft on skin and tough on dirt, 10'ON tissues, manufactured in a rigorously hygienic environment that complies with international standards, ensures your personal health and hygiene.

Young and trendy, our journey with you is not confined to the four walls of the house or office. Whether you are an outdoor or indoor person, we assure you the best of hygiene every step of the way! In short, we are your partner for life, every moment, hygienically yours!

**10'ON is an honest,
hygienic, wholesome
brand that derives
happiness from
being your constant
cleanliness companion**

www.10ontissues.com

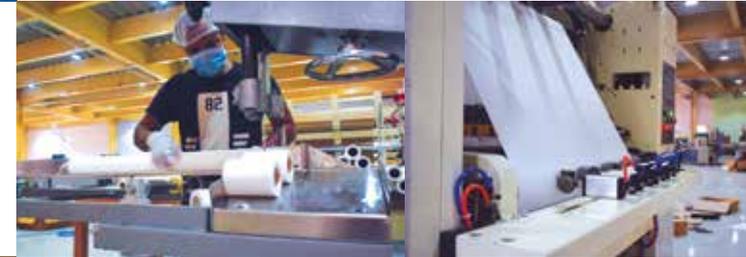

We are at the forefront of a cleanliness revolution that focuses on building awareness about personal and environmental hygiene.

Made from highest quality virgin fibres, 10'ON tissues are synonymous with comfort, cleanliness and convenience. The 10'ON difference lies in the fact that it has not been treated with harmful chemicals, making it your best bet when it comes to hygiene.

WHAT MAKES US SPECIAL

10'ON's state-of-the-art manufacturing facility with ultra-modern machinery complies with internationally recognised standards of manufacturing practices, ensuring that our products meet stringent standards of hygiene, safety, and purity.

HIGHEST QUALITY VIRGIN FIBRES

ultra-modern machinery

Backed by wealth of experience, our trained staff maintain highest quality standards throughout the manufacturing process. The employees at our facility wear gloves, ensuring that the tissue you hold in your hands reaches you in its pristine and purest form.

STRINGENT STANDARDS OF HYGIENE & SAFETY

**over 30,000 square feet
of manufacturing and
ware housing space**

Spread over 30,000 square feet of manufacturing and ware housing space, we are well equipped to carry out large-scale procurement of raw materials, ensure efficient production of tissues and also store large quantities of

finished inventory in a hygienically controlled environment. The entire process is monitored and managed stringently to bring you ultimate comfort and care in the most hygienic manner.

**With a trustworthy,
tried and tested
logistical infrastructure
and a foolproof supply
chain in place, we
promise quick, day-to-
day and door-to-door
delivery on time**

**DOOR
TO DOOR
SERVICE**

We offer door-to-door service, ensuring that your orders are delivered promptly from our factory to your doorstep. Our reliable, complete after-sales service makes sure that your feedback, suggestions and complaints are taken seriously and sorted on priority.

**ETHICALITY AND HYGIENE
ARE THE CORNERSTONES
AND GUIDING PRINCIPLES
OF 10'ON.**

We firmly believe that a small, thoughtful gesture can create a world of difference for us, our employees, our clients, and ultimately, for the planet that we lovingly call home. All our decisions—be it getting more women employees on board, adhering to ecologically-responsible packaging and maintaining the voice of hygiene and health right through the manufacturing, production and packaging processes—are

guided by a conscious decision to adhere to and honour our commitment to our environment, the society and Mother Earth. Ethicality and hygiene are the cornerstones and guiding principles of 10'ON. As our most valued and treasured clients, we would like to join hands with you in the 10'ON CleanOn revolution, to underscore the importance of sanitation, hygiene and healthy practices in daily life.

**MAKING THE
WORLD A
HYGIENIC AND
HEALTHY PLACE.**

**OUR
GOAL**

We aspire to be the market leader in tissue papers, synonymous with cleanliness, health and hygiene. 10'ON aims to be the number one choice for those whose values resonate with ours when it comes to an uncompromising stand on hygiene. We want to touch as many lives as possible, making the world a hygienic and healthy place. 10'ON also aspires to be at the vanguard of a cleanliness revolution, creating awareness about the need for personal and environmental hygiene.
